

ADOPT A BIRD

You can now sponsor one of our magnificent raptors or our mascot Beamer, the three-legged Eastern Box turtle.

By sponsoring one of these animals, you can help subsidize the cost of their daily care — including aviary repair and construction, food and medical care.

In return, you will receive an 8" x 10" photograph, an adoption certificate, and the history of your bird (or turtle).

Please complete this form, and we will send your papers immediately.
